CELEBRATING 70 YEARS

1941 - 2011

CELEBRATING 70 YEARS

No.13 (City Of Napier) Squadron was one of the first Air Training Corps Squadrons to be established in New Zealand. It was formed in December 1941 and held its first parade in January 1942. Despite facing many challenges in the past, the Squadron continues to this day. To celebrate the Squadrons' 70th anniversary, a series of events are going to be held on the first weekend of December. We would like to invite anyone who has been involved in the Squadron throughout its 70 year history to attend.
